CITYnvest and Smart Finance for Smart Buildings

Pillar 1 More effective use of public funds

Encouraging more effective use of public funds, including through the development of flexible energy efficiency and renewable financing platforms to boost the combination of the European Fund for Strategic Investment and other public funds, including European Structural Investment Funds;

Pillar 2 Assistance and aggregation

Helping project developers bring good project ideas to maturity with more project development assistance and aggregation mechanisms;

Pillar 3 De-risking

Making energy efficiency investments more trusted and attractive for project promoters, financiers and investors.
